Disclaimer -

The parts listed in this catalogue are originally specified for Arc and IAG branded dishwashing machines. Whilst Midea do manufacture machines for numerous brands in Australia, Doug Smith Spares makes no undertaking that these parts will fit or be suitable for use in machines of those brands. The use of manufacturers names is done for reference purposes only and in no way implies a connection with or endorsement of the importer or distributor of that brand.

The intended purpose of this catalogue is to assist servicemen to accurately determine whether the parts are suitable for their use, and the responsibility of determination of suitability (or otherwise) of the parts lies with the serviceman.

Part descriptions are intended as a guide only, and should not be relied solely when determining suitability of the part. Doug Smith Spares does not warrant the accuracy of the information within this catalogue.
